

DRAFT DOD 5101.XX
DOD Executive Agent for Container
Management

Draft Overview

Background

- When SECDEF/DEPSECDEF designates an EA, a DOD issuance is developed
- Intent was to have a proposed, pre-coordinated (O-6 level) DOD issuance to facilitate implementation of EA should TCCC request & OSD approve
- Proposed EA Container Management directive used DODD 5101.9 EA Medical as a template
- DRAFT sent to Services, COCOMs, DLA, JS J4 with copy to OSD TP

DRAFT DOD 5101.XX

Purpose of Directive

- Designates the Commander, US Transportation Command (USTRANSCOM) as the DOD Executive Agent (DOD EA) for Container Management
- Identifies the responsibilities, functions, & authorities of the DOD EA for Container Management
- Identifies the relationship of the DOD EA for Container Management to the other DOD Components worldwide, in peacetime & wartime, for homeland defense, exercises, contingencies, emergency, and day-to-day operations

DRAFT DOD 5101.XX
Applicability

- Applies to OSD, the Military Departments, the CJCS, COCOM, DOD IG, all Defense Agencies, & DOD Field Activities, all organizational entities in the DOD, & Military Services (Army, Navy, USAF, & USMC)

DRAFT DOD 5101.XX
DOD Policy

- It is DOD Policy that the **DOD EA for Container Management** shall:
 - Act as the DOD Global Container Manager for DOD common-user ISO containers
 - Have directive authority over execution of common-user container policy across the Military Services/Defense Agencies as coordinated with geographic Combatant Commands & their concept of operations.
 - Excludes Service containers

DRAFT DOD 5101.XX

DOD Policy

- DOD EA for Container Management shall:
 - Work through the CJCS with the COCOMs & directly with the Military Services to:
 - [Plan for the establishment of container support capability](#) worldwide to meet requirements & provide container management performance standards
 - [Consolidate DOD requirements for container support](#)
 - [Execute sourcing](#) through acquisition & distribution plans, agreements, & contracts that support theater & combatant command forces worldwide.

DRAFT DOD 5101.XX

DOD Policy

- DOD EA for Container Management shall:
 - Work directly with the Military Services to establish, manage, maintain, & fund for a DOD Joint Container Fleet (JCF)
 - JCF for use by all Military Services & Defense Agencies to meet requirements when effective & cost efficient support from commercial industry is not available or responsive
 - Program, obtain, & provide necessary container resources to support surge & sustainment programs and, in doing so, consolidate funding & acquisition programs to reduce duplication & redundancy.

DRAFT DOD 5101.XX

Responsibilities & Functions

- Under **Secretary of Defense (Acquisition, Technology, & Logistics)** shall provide policy, guidance, & oversight
- **CDR USTRANSCOM is designated DOD EA for CM**
